With SPOCE ONLIVE Virtual Classroom you prepare in the same way as if you were going to attend a traditional classroom training course.

Instead of waking up on Monday morning and dragging yourself, and your training materials, to a training venue, you simply place yourself in your preferred location and take the course there.

AgilePM® ONLIVE
Exam Details

Once you have completed your training in the ONLIVE Virtual Classroom, you will be able to book your exam slot within 30 days of the start of the course. Exams can be taken online at any time with our partner APMG International.
